### Gift Program Details

Once a match is made you will receive an email from CrossNet with details about your sponsored family.

You will also receive a wish list from each child in the family. The wish list will include:

- Parent's last name, child's name, age, and school information
- And a list of special needs and wants from each student

Please do not feel obligated to buy their entire list. *CrossNet suggests getting something from each of the categories; clothing, general needs, wants, and a book.* If purchasing for multiple children in a family, gifts should be of similar value to show fairness among siblings.

We ask that you would be mindful of gifts that you purchase. If an item requires batteries, please include the batteries. If you purchase a gift card, be sure the store is easily reached by public transportation and clearly marked with dollar amount. Gift receipts are always helpful.

Thank you for partnering with us!
