Gift Program Details

Once a match is made you will receive an email with details about your sponsored family. You will also receive a Wish List for each child sponsored. The wish list will include:

- Parent's last name, child's name, age, and school information
- And a list of special needs and wants from each student. *Note check out the wish lists carefully as older students may choose the **Gift Card Only Option!**

Please do not feel obligated to buy their entire list. *CrossNet suggests getting something from each category; clothing, general needs, wants, and a book.* If buying for multiple children in a family, gifts should be of similar value to show fairness among siblings. We ask you to be mindful of the gifts you buy. If an item requires batteries, please include the batteries. If you purchase a gift card, be sure the store can be reached by public transportation and clearly marked with dollar amount. **Include all gift receipts.**

Thank you for partnering with us!
