Gift Program Details

Once a match is made you will receive an email with details about your sponsored family. You will also receive a Wish List for each child sponsored. The wish list will include:

- Parent's last name, child's name, age, and school information
- And a list of special needs and wants from each student. *Note check out the wish lists carefully as older students may choose the **Gift Card Only Option!**

Please do not feel obligated to buy their entire list. *CrossNet suggests getting something from each category; and spend approximately \$100 per child.* If buying for multiple children in a family, gifts should be of similar value to show fairness among siblings. We ask you to be mindful of the gifts you buy. If an item requires batteries, please include the batteries. If you purchase a gift card, clearly marked the dollar amount. **Include all gift receipts.**

Thank you for partnering with us to offer Help and Hope in the ELANCO Community!

*Please note this program is for families regularly enrolled in the **FREE** lunch program in the ELANCO School District only, or those financially effected by COVID-19. All children living in the household are invited to participate in the program. The age range is from birth to 18 years old. If a child is older than 18, they may participate if they are still in high school. Revised September 2022.
