

## Brian Dawkins

Guest Speaker

Brian Dawkins has achieved success on and off the football field. Philadelphia Eagles selected Dawkins in the NFL Draft. Dawkins was the starting red safety during his rookie season and became the leader of one of the most feared defenses in the NFL. During his thirteen seasons with the Eagles, he led them to the playoffs eight times and to the Super Bowl in 2005. The Eagles retired his #20 jersey in 2012. He attained the sport's ultimate achievement when inducted into the Pro Football Hall of Fame in 2018. Dawkins' excellence, however, transcends football. He has showed outstanding character in his career, giving back to the communities he touched. In 2019, he established The Brian Dawkins Impact Foundation to help young people, families and communities promoting spiritual, cerebral, and physical wellness. Dawkins is happily married to Connie Dawkins and they have four children.
