

2024 CHRISTMAS GIFT CARD OPTION!

Optional through our Christmas Gift Giving Program

PLEASE READ CAREFULLY

If your child is in **9th grade or above**, you may select the **Gift Card Choice Option**. For each student that select this option, please fill out the only **top portion of the WISH LIST** (Parent Name, Student Name, School...) as normal, then check the gift card only option and **list a few gift card suggestions** in the "Some Things I Want" section (example: Walmart, Target, Amazon, etc.) and leave the rest of the sections blank.

Please Note: While we cannot guarantee a firm dollar amount a student will receive in gift cards, we estimate about **\$100 per student**, depending on their secret shopper.
