TABLE OF CONTENTS

“The Christmas Gift Program is all about coming together as a community to care for one another during the holiday season. It’s a chance to walk alongside local families, meet real needs, share hope, and reflect the love of Jesus in a meaningful way. Through this program we aim to build relationships that last beyond Christmas and remind each person that they are seen, valued, and not alone.”

MISSION & IMPACT

CHRISTMAS PROGRAM MISSION:

To ease financial burdens, build resources, and to match community support with under-resourced families in the ELANCO School District by providing a Christmas meal and gifts for their children. Together we can bring help, hope, and the love of Christ to families at Christmas.

CHRISTMAS PROGRAM IMPACT:

For over 12 years, CrossNet has ensured children in the ELANCO Community have a blessed Christmas. Prior to this, we supported the ELANCO School District in their program. We have been keeping Christmas stats since 2013! The numbers below represent the total number of students served for that season.

2013 = 380

2014 = 400

2015 = 429

2016 = 447

2017 = 462

2018 = 546

2019 = 550

2020 = 528

2021 = 542

2022 = 605

2023 = 610

2024 = 641

Our goal is to ensure every child has gifts and necessary resources to enjoy at Christmas!

FAQ'S & OTHER WAYS TO GET INVOLVED

How Much Money Should I Spend?

We are asking donors to spend \$100 per child (i.e. \$400 for a family of four). Donors should spend equal amounts for each child gift(s), and if a child has checked the GIFT CARD ONLY OPTION, \$100 in gift card(s) should be given for each child with this option.

Why Should I Include Gift Receipts?

Gift receipts make it easier for families to return gifts, especially clothing. Sizing on clothing varies greatly between brands and is the main reason we ask for gift receipts.

Are there other ways to participate besides sponsoring?

Of course! Below are some other ways to partner with CrossNet for this Christmas Program:

- **Gift Card Donations:** Older students love gift cards! Would you consider donating \$25–\$100 gift cards for a teen? We suggest Walmart, Target, or Amazon gift cards.
- **Stocking Stuffer Collections:** Donate small items such as gum, candy, socks, toiletries, and small toys to be used as stocking stuffers.
- **Cookies:** If you love to bake, we are always in need of cookies for our volunteers and parents during Workshop Week and at our Christmas Program Event.
- **Wrapping Paper & Tape:** This basic need is helpful and used at the Christmas Program Event.

Can I Make a Monetary Donation Instead?

We'd love your support! To give, please visit our website at elancocross.org, click on the DONATE tab, and choose "Christmas Program" from the menu. If you're mailing a check, kindly write "CrossNet Christmas Program" in the memo line and send your contribution to the address below:

PO Box 154, New Holland, PA 17557

Can I Volunteer to Help With the Christmas Program?

Yes! We need individuals to help during our Christmas Workshop Week (December 8–10, 2025) and at our Christmas Program Event on Saturday, December 13th. An online volunteer sign-up will be emailed (or can be requested) on November 1, for interested individuals. Volunteer clearances are required. Space for groups can be limited; please contact Corrine if more information or details are needed.

**Thank you for participating in the 2025 Christmas Program and making

GIVING TREE DETAILS

YOU CAN SPONSOR A CHILD
THROUGH HOSTING YOUR OWN
GIVING TREE AT YOUR CHURCH,
BUSINESS, OR OTHER
ORGANIZATION!

Planning a Giving Tree

- **Select a Giving Tree Coordinator:** This will be the contact person for your organization to coordinate details with a CrossNet staff member.
 - Create an electronic spreadsheet or checklist with the student name, basic info, and the wish list items listed as a way to track assignments and tag listings.
- **Create tags to hang on your tree:** You can create your own paper tags or you can print and use pre-made tags from the CrossNet website. Tags include the age and gender of the recipient(s). They should also include a few things on the child's wish list, like clothing sizes, so gifters can buy wearable items.
 - Please include a gift drop-off deadline (that coincides with CrossNet's date) on the tag along with a request for the tag to be taped to the unwrapped gift.
 - **IMPORTANT:** Please include gift receipts for all clothing, shoes, or wearable items.
- **Assign "Secret Shoppers":** Anyone who wants to help can pull a tag off of the tree. The "secret shopper" buys the wish list items for the child on the tag and returns the unwrapped gifts to the Giving Tree Coordinator by the designated deadline, with the tag attached to the outside of the gift.
 - We ask donors to spend \$100 per child.
 - People who want to donate gifts to children but don't want to shop can donate money or gift cards instead, which you can use to buy gifts for unfilled tags.
 - We encourage you to ask shoppers to return their gifts to the Giving Tree Coordinator the week before CrossNet's gift deadline to ensure all your gifts are returned.
- **Deliver Gifts to CrossNet:** When all the gifts for a child are received, place all unwrapped gifts for that specific child in a black garbage bag and label with the family name, child's first name, and child's last name on the outside of the bag. Deliver bag(s) to CrossNet for distribution to the recipients on Event Day.
 - All bags need to be at CrossNet by December 10th.
- **Organize an Online Giving Tree:** You can also organize an online Giving Tree! With an online Giving Tree, donors can give from anywhere. Have online donors ship items directly to you. You can organize and account for their gifts before delivering to CrossNet for Workshop Week (Dec 8-10).
 - **IMPORTANT:** Please ensure online gifts/donations have a delivery date prior to your program deadline.
